HR Resources on
Dialoghealth.com

"The automation, customization, and personalization of Dialog Health's platform is a game changer. Not only can we send a mass text to all employees, but we can also send a specific, targeted text to a small subset of employees. Clear communication is a competitive advantage, and thanks to texting, we're communicating with our employees in the easiest and most effective way."

— Lindsay, HR DIRECTOR

Intuitive and Easy-to-Use

Dialog Health's two-way texting platform is cloud-based, user-friendly, and quick to deploy.

- No IT requirement or App to download
- Secure and reliable - Tier 1 connectivity and adheres to the latest SSAE, HIPAA, TCPA, and CTIA standards
- One platform, multiple solutions
- Top-rated customer service
- Trusted by Fortune 500 companies
